

The U.S. Department of Homeland Security Office for Bombing Prevention

In Conjunction with the
MN Homeland Security and Emergency Management
Presents

Improvised Explosive Device (IED) Counterterrorism Workshop

The Great Lakes Ballroom
Mall of America
60 East Broadway
Bloomington, MN 55425

February 22nd & 23rd, 2012

Workshop Purpose

This awareness level workshop is designed to enhance the knowledge of state/local law enforcement and public/private sector stakeholders by providing exposure to key elements of the IED threat, surveillance detection methods and soft target awareness. The workshop illustrates baseline awareness and prevention actions that reduce vulnerabilities to counter the threat along with collaborating information sharing resources to improve preparedness. This designed approach better enables the owners and operators of critical infrastructure to deter, prevent, detect, protect against, and respond to terrorist use of explosives in the United States.

Who Should Attend?

State/local law enforcement and public/private sector stakeholders.

Schedule of Events

Module 1: Office for Bombing Prevention and Workshop Introduction and Overview

Module 2: Terrorism and Domestic IED Threat Overview

Module 3: IED Design and Explosive Effects

Module 4: Surveillance Detection and Identifying Suspicious Behavior
